

I am the Tennis courts in the summer.

I am the dormant grass in the winter.

I am a WHATABURGER star.

I am spaghetti, fried chicken, and sweet and sour chicken.

I am your worst nightmare that becomes a dream.

I am a book full of adventures.

I am a short story.

I am a soon to be High School Diploma.

I am the biggest chip in the smallest bag.

I am the log in your fire place on the coldest of nights.
