

I am too much to handle when it comes to my attitude.

I am very tranquil so I don't let things get to me.

I am very apathetic meaning I lack some of my emotions.

I am gone most of the time in my own little world.

I am oblivious to my surrounding because I see the world through my own eyes.

I am a true friend because I won't give up on anybody.

I am a teacher in a classroom because I lead by example.

I am someone who has an open mind because I don't judge.

I am stuck on myself, so call me conceited.

I am a work in progress.

I am an enigma waiting to be solved.
